## Join Us!

The Coalition for Smart Growth is a unique and diverse group of individuals and community organizations drawn together by a shared interest in the future direction of Lancaster County and committed to working for a sustainable and balanced future.

Join us in working for the future of Lancaster County: one that preserves working farms and agriculture *as well as* strong communities, a unique historic and cultural heritage, and a strong economy.

*You can make a difference.* Become a Coalition member today.

As a Member and you will receive:

- Discount on registration for the Coalition's Annual Smart Growth Summit and other paid events
- Invitation to the Members Meeting
- Periodic email updates on Coalition activities and Smart Growth events
